ESCAPE THE EXPECTED

Escape the Expected was born in 2020 after we decided to blend out love of exploring new places, learning and escape games! We (wife and 2 children) moved to Port Macquarie in 2019 from the UK with a suitcase and a dream and had never been to Australia before. When we arrived we acted like a tourist and went everywhere we could and got involved in as much as we could. Then we thought I wonder if others act like a Tourist/ visitor in their own town and we soon found out that most people don't! That's when we thought about creating outdoor scavenger hunt based walks, these were super popular and we had 2 versions:

1821 Discover Port Macquarie and Hidden Street Art, these used local landmarks to provide the answers to clues and take people on an adventure at the same time and in their own time!

Our first collaboration was with the Mid North Coast Maritime Museum and we haven't looked back since, we like to think of ourselves as super collaborators. Everything we do is always with others in mind, not just ourselves. We like everyone to benefit!

We soon moved onto a different style of game and now run GPS and Augmented Reality based games, still in and around Port Macquarie but there are way more interactive! Think scavenger hunt meets escape game meets amazing race, they are perfect for families, date nights, team building, event launches and so much more.

Again we collaborate on these and our routes include interaction with local businesses such as Town Green Buffet, Blendz and Urban Grain. We also have Sip and Solve versions that have become very popular, collaborating with Little Shack, Chop n Chill and Zebu. And another version that has been recently launched with Water's Edge, Little Turkey and The Boathouse at Sails, this one aims to take adventurers to the other side of town, so get involved if you want to explore over the river!

We have a more exclusive experience where you can Sip, Solve and Saddle with Twotriplefour at Casegrain and Port Macquarie Horse Riding Centre.

Finally, I say finally but it's definitely not final... We have just created a Mobile Escape Room that we can take to venues, events, weddings and more. Recently holding an event at Tafe Port Macquarie and the students and staff both loved it!

We have something fun coming in the summer, so watch this space! Teaser - you need to be hungry to solve this one...

We've been asked 'What highlights have we had for the business so far: One huge highlight for the business so far would be meeting Janette Hyde and her continued support to us on our journey, thank you Janette!

'What does Escape The Expected love the most about tourism in our region?'

We love how other like minded businesses are always willing to support and take a chance on our ideas and have made some good friends over the years!

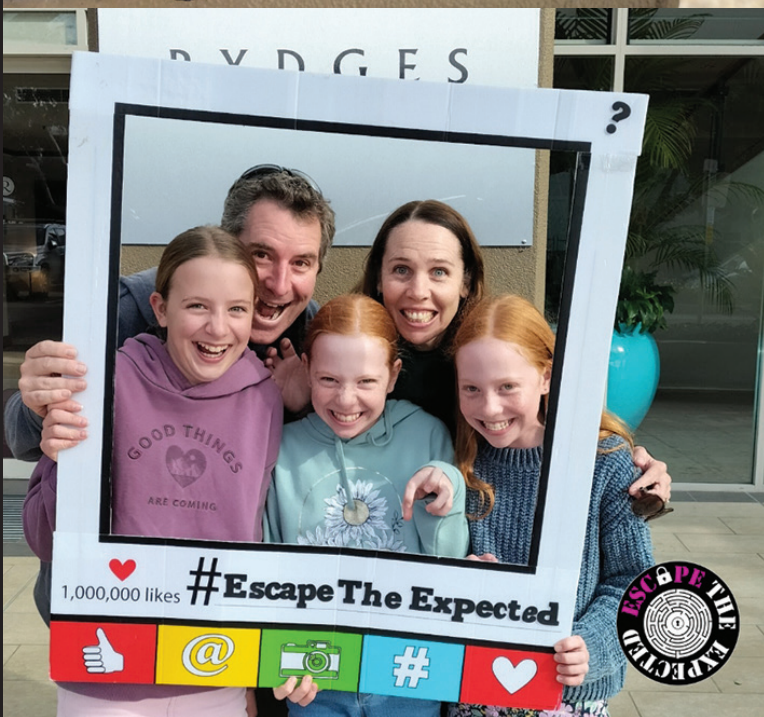

Port Macquarie is definitely a place where we would choose to holiday and now we live here, how lucky are we, right?!

Everything you need for the perfect holiday is right here in Port Macquarie and all within a short distance of each other. You can definitely holiday your way in Port Macquarie, so much so that we sometimes forget we live here and still act like a visitor, which is an awesome feeling!

New Mobile Escape Room now available to book - get in touch to find out more!
