SEA ACRES RAINFOREST CENTRE

Can you share how Sea Acres started, how long it has been operating and a bit of the back story?

Before Sea Acres started it was and remains to be Biripai Country.

Sea Acres National Park was first protected as a flora nature reserve over 100 years ago. In 1959 some of the reserve was declared a wildlife sanctuary to operate as a tourist attraction and then in the 1980's it was dedicated under the NSW National Parks Service to protect this special area forever.

The Rainforest Centre was established to promote the conservation and understanding of the rainforest. The elevated 1.3km wheelchair and stroller accessible boardwalk offered protection to the forest floor and an opportunity for visitors to experience the rainforest canopy and observe its diverse plants and animals.

How many staff do you employ, what sorts of jobs do they do?

11 NPWS staff base themselves at the centre as well as approximately 20 Volunteers. We work in a variety of roles;

Information- providing face to face information that promotes the best experiences our region has to offer as well as providing local and state-wide information of the visitor opportunities in NSW National Parks.

Education and Guided experiences- creating and delivering meaningful experiences to connect our visitors to this rainforest environment. Our Education Rangers and volunteer guides conduct tours regularly.

Retail- dedicated to providing local, environmentally conscious and quality products so visitors can take home a special reminder of their time here.

Management and maintenance- our staff and maintenance volunteers work hard to keep this important destination looking great for all to enjoy.

We receive up to 160 000 visitors a year and our passionate and committed team have loads of local knowledge to share.

What are the main activities visitors can do whilst at Sea Acres?

Visitors can choose to;

- Walk at their own pace around the 1.3km accessible boardwalk
- Book a tour with one of our experienced guides including Biripai cultural tours
- Browse through the beautiful range of unique gifts toys and books
- Dine at the locally owned cafe

What is coming in 2024?

Visitors are seeking nature connection with curiosity, and concern about our environment, with many visitors most likely spending less than an hour in nature on any given day. Sea Acres offers an accessible nature experience that benefits the mental and physical well-being of all who visit.

We are currently developing new look interpretation providing different options to connect visitors to our stories, people and incredible natural environment. Watch this space.

Special offers available

We sell annual passes that allow passholders to receive 10% discount on all non-discounted retail items in the centre.

Lookout for our regular cultural and education tours and join with one of our amazing guides for a heavily discounted boardwalk entry fee!
